

§ 1653.4

5 CFR Ch. VI (1–1–11 Edition)

(ii) In the order of their effective dates, if received by the TSP on the same day.

(4) In all other cases, the TSP will honor multiple qualifying court orders relating to the same TSP account in the order of their receipt by the TSP.

[68 FR 35510, June 13, 2003, as amended at 69 FR 29851, May 26, 2004; 71 FR 50320, Aug. 25, 2006; 72 FR 51354, Sept. 7, 2007]

§ 1653.4 Calculating entitlements.

(a) For purposes of computing the amount of a payee's entitlement under this section, a participant's TSP account balance will include any loan balance outstanding as of the date used for calculating the payee's entitlement, unless the court order provides otherwise.

(b) If the court order awards a percentage or fraction of an account as of a specific date, the payee's entitlement will be calculated based on the account balance as of that date. If the date specified in the order is not a business day, the TSP will use the participant's account balance as of the last preceding business day.

(c) If the court order awards a percentage or fraction of an account but does not contain a specific date as of which to apply that percentage or fraction, the TSP will use the effective date of the order.

(d) If the court order awards a specific dollar amount, the payee's entitlement will be the lesser of:

(1) The dollar amount stated in the court order; or

(2) The vested account balance on the date of disbursement.

(e) If a court order describes a payee's entitlement in terms of a fixed dollar amount and a percentage or fraction of the account, the TSP will pay the fixed dollar amount, even if the percentage or fraction, when applied to the account balance, would yield a different result.

(f) The payee's entitlement will be credited with TSP investment earnings as described:

(1) The entitlement calculated under this section will not be credited with TSP investment earnings unless the court order specifically provides otherwise.

(2) If earnings are awarded and a rate is specified, the rate must be expressed as an annual percentage rate or as a *per diem* dollar amount added to the payee's entitlement.

(3) If earnings are awarded and the rate is not specified, the Agency will calculate the amount to be awarded by:

(i) Determining the payee's award amount (e.g., the percentage or fraction of the participant's account);

(ii) Determining, based on the participant's investment allocation as of the effective date of the court order, the number and composition of shares that the amount in paragraph (f)(3)(i) of this section would have purchased as of the effective date; and

(iii) Multiplying the price per share as of the payment date by the number and composition of shares calculated in paragraph (f)(3)(ii) of this section.

(g) The TSP will estimate the amount of a payee's entitlement when it prepares the court order decision letter and will recalculate the entitlement at the time of payment. The recalculation may differ from the initial estimation because:

(1) The estimation of the payee's entitlement includes both vested and nonvested amounts in the participant's account. If, at the time of payment, the nonvested portion of the account has not become vested, the recalculated entitlement will apply only to the participant's vested account balance;

(2) After the estimate of the payee's entitlement is prepared, the TSP may process account transactions that have an effective date on or before the date used to compute the payee's entitlement. Those transactions will be included when the payee's entitlement is recalculated at the time of payment; and

(3) The amount available for payment from the account may be reduced due to changes in share price (*i.e.*, investment losses).

§ 1653.5 Payment.

(a) Payment pursuant to a qualifying retirement benefits court order ordinarily will be made 60 days after the date of the TSP decision letter. This is

intended to permit the payee sufficient time to consider decisions about tax withholding, payment by EFT, and transfer options. An earlier distribution may be made as follows:

(1) If the payee is the current or former spouse of the participant, the payee can request to receive the payment sooner than 60 days by making a tax withholding election, by requesting a payment by EFT, or by requesting a transfer of all or a portion of the payment to a traditional IRA or eligible employer plan. The TSP decision letter will provide the forms a payee must use to choose one of these payment options.

(2) If the payee is someone other than the current or former spouse of the participant, the participant can request a disbursement sooner than 60 days by making a tax withholding election on forms provided to the participant with the TSP decision letter.

(3) If the court order makes an award to multiple payees, a disbursement may be made earlier than 60 days only if requests for expedited payment are received from all of the payees.

(4) In no event will payment be made earlier than 31 days after the date of the TSP decision letter.

(b) In no case will payment exceed the participant's vested account balance, minus any outstanding loan balance.

(c) The entire amount of a court order payee's entitlement must be disbursed at one time. A series of payments will not be made, even if the court order provides for such a method of payment. A payment pursuant to a court order extinguishes all rights to any further payment under that order, even if the entire amount of the entitlement cannot be paid. Any further award must be contained in a separate court order.

(d) Payment will be made *pro rata* from all TSP Funds in which the account is invested, based on the balance in each fund on the date payment is made, and from both tax-deferred and tax-exempt balances, if any. The TSP will not honor provisions of a court order that require payment to be made from specific TSP Funds or contribution sources.

(e) Payment will be made only to the person or persons specified in the court order.

(1) If payment is made to the current or former spouse of the participant, the distribution will be reported to the Internal Revenue Service (IRS) as income to the payee. If the court order specifies a third-party mailing address for the payment, the TSP will mail to the address specified any portion of the payment that is not transferred to a traditional IRA or eligible employer plan.

(2) If the payment is made to anyone other than the current or former spouse of the participant, the payment is taxable to the participant and is subject to Federal income tax withholding by the participant. The participant can elect the amount to be withheld by filing with the TSP the forms provided to the participant with the decision letter. The tax withholding will be taken from the payee's entitlement and the gross amount of the payment (*i.e.*, the net payment distributed to the payee plus the amount withheld from the payment for taxes) will be reported to the IRS as income to the participant.

(f) Payment will not be made jointly to two or more persons. If the court order requires payments to more than one person, the order must separately indicate the amount to be paid to each.

(g) If there are insufficient funds to pay each court order payee, payment will be made as follows:

(1) If the order specifies an order of precedence for the payments, the TSP will honor it.

(2) If the order does not specify an order of precedence for the payments, the TSP will pay a current or former spouse first, a dependent second, and an attorney third.

(h) If the payee dies before a payment is disbursed, payment will be made to the estate of the payee, unless otherwise specified by the court order. A distribution to the estate of a deceased court order payee will be reported as income to the decedent's estate. If the participant dies before payment is made, the order will be honored so long as it is submitted to the TSP before the TSP account has been closed.

(i) If the parties to a divorce or annulment have remarried each other, or

§ 1653.11

5 CFR Ch. VI (1–1–11 Edition)

a legal separation is terminated, a new court order will be required to prevent payment pursuant to a previously submitted qualifying retirement benefits court order.

(j) Payment to a person (including the estate of the payee) pursuant to a qualifying retirement benefits court order made in accordance with this subpart bars recovery by any other person claiming entitlement to the payment.

(k) If a court ordered payment is returned as undeliverable, the TSP record keeper will attempt to locate the payee by writing to his or her TSP database address. If the payee does not respond within 60 days, the TSP will forfeit the funds to the Plan. The payee can claim the forfeited funds, although they will not be credited with TSP investment fund returns.

(l) A properly paid court order payment cannot be returned to the TSP.

(c) The following legal processes are not qualifying:

(1) A legal process relating to a TSP account that has been closed;
